

Patina is a leading provider of high-impact, executive talent solutions.

Whether providing executives on-demand to help you get things done – or conducting a search to find the best hire to join your team, you can count on Patina. We are known for:

- ◆ Delivering agile, highly-targeted solutions
- ◆ Quickly activating our vast network of experienced professionals
- ◆ Practitioners, not lifelong consultants, who “execute” to achieve your expected outcomes

Built on thousands of successful client engagements, Patina’s proven methodology means we identify, select and assign talented Professionals who best fit your precise needs.

Patina provides you access to a comprehensive network of industry practitioners. Patina has an impressive depth and breadth of expertise across many industries and functions with particular strength in:

- Manufacturing & Industrial
- Food, Beverage & Agriculture
- Private Equity
- Supply Chain, Logistics & Operations
- Healthcare
- Healthcare Insurance
- Consumer Packaged Goods
- Finance & Accounting
- HR
- Sales & Marketing
- Systems

Our industry practitioners generally have 25 plus years of proven operating experience.

Leading organizations turn to Patina when:

- Major change or growth is happening
- Opportunities are going unrealized
- Projects are behind schedule or over budget
- Performance improvement is desired
- Critical expertise is missing from the team
- Key executive positions remain open
- Leadership has development needs
